Professional Affiliation:

Founding Partner, Space City Pain Specialists, L.L.P. Webster, Texas	July 2004 to present
Clinical Assistant Professor, Dept. of Anesthesiology, UTMB Galveston, Texas	Jan 2011 to present
Preceptor, University of Texas Medical Branch Galveston, Texas	Aug 2004 to 2009
Private Practice, Texas Pain Consultants, L.L.P. Houston, Texas	Aug 1998 to July 2004

Training:

Fellowship <i>Pain Medicine</i> University of Texas Medical Branch Galveston, Texas	July 1997 to July 1998
Chief Resident <i>Anesthesiology</i> Baylor College of Medicine Houston, Texas	June 1996 to June 1997
Residency <i>Anesthesiology</i> Baylor College of Medicine Houston, Texas	July 1994 to June 1997
Internship <i>Transitional Type (Dept. of Anesthesiology)</i> Baylor College of Medicine Houston, Texas	July 1993 to June 1994

Education:

Baylor College of Medicine <i>Doctor of Medicine</i> Houston, Texas	Aug 1989 to May 1993
Texas A & M University <i>Bachelor of Science, Major Biology</i> College Station, Texas	Aug 1985 to May 1989

Board Specialty:

The American Board of Anesthesiology	current
Subspecialty Certification in Pain Management	current
The American Board of Pain Medicine	current

Professional/Academic Memberships:

American Pain Society

International Spinal Intervention Society

Texas Medical Association

American Academy of Pain Medicine

American Society of Interventional Pain Physicians

Texas Pain Society

North American Neuromodulation Society

International Cellular Medicine Society

Honors:

Doctor of Distinction “Top Doc” award, UTMB
2007

Texas Air National Guard-Chief’s Coin for Outstanding Performance,
June 15, 2000

Chief Resident, Baylor College of Medicine
1996 to 1997

Invitational Conference at UTMB, Galveston for outstanding premed students,
July 1996

Research/Publications:

“A Prospective, Multi-Centered Clinical Evaluation of a Rechargeable 16-Channel Implantable Pulse Generator (IPG) in Combination with Percutaneous or Surgical Leads for the Management of Chronic Back Pain with or without Leg Pain: Further Evidence for the Use of SCS”.

Ghodsji, A., Bernstein, C.A., Mironer, E., Rogers, K., Amayem, A., Smith, S., Weinand, M., Garcia, E., Rosenberg, J., Johans, T., Castillo, M., Lampert, B., Grissom, T., Amadeo, J., Osborne, M., Schultz, D., and Diaz, R.

Poster presented at: Annual meeting of the International Neuromodulation Society; September, 2009; Seoul, South Korea.

“A Prospective Clinical Evaluation of a Rechargeable Implantable Pulse Generator (IPG) in Combination with a Tripolar Lead Array”.

Rosenberg,J., Bernstein, C.A., Shultz,D., Garcia, E., Rodgers,K.
2006 to 2008

Effective But Near Disastrous Subarachnoid Neurolysis for Mechanical Root Pain in a Paraplegic Cancer Patient.

The Clinical Journal of Pain 12: 243-249, Garcia E.A., Patt R.B., Gisenberg L.E.:
1996

Investigation of Transcriptional Activation by Pesticides in Common Houseflies by Examining mRNA Induction due to DDT Exposure.

Texas A & M University, Dept. of Genetics
May 1988 to Sept 1988

Lectures/Presentations:

“Goals of Spinal Cord Stimulation”, Intracorp Convention for Case Managers,

Houston, Texas
February 8, 2011

“Complex Regional Pain”, 2010 Interventional Pain Management Symposium,

San Juan, Puerto Rico
January 31, 2010

“Neuromodulation Basics”, UTMB/MD Anderson Faculty and Fellows,

Webster, Texas
March 23, 2010

“Pain Medicine - A General Overview”, Naval Hospital Staff,

Cartagena, Colombia
October 17, 2009

“Keynote Lecture: Pain Management in the Primary Care Setting”, Texas Academy of Physician

Assistants Primary Care CME Conference,
Dallas, Texas
February 28, 2009

“Neuromodulation”, UTMB Department of Anesthesia Faculty, Fellows and Residents

Webster, Texas
September 10, 2008

“Pain Medicine Overview”, Reveille Club of Houston,

Houston, Texas
August 28, 2008

“Overview of Chronic Pain Medicine”, Case Managers Association of America,

Houston, Texas
April 9, 2008

“Overview of Chronic Pain Medicine”, Military Officers Association of America,

Houston, Texas
March 29, 2008

“Differences between Staggered and Parallel Percutaneous Lead Transverse Tripole Arrays: Preliminary Findings from a Prospective Study”, INS

December 2007

“Tame the Pain” lecture, Seminar, Marriott Hotel, Houston Texas

June 2, 2007

Interview with Helen Dearman on Voice America, “Pain Tamers” segment. “Implantable Therapies...What They Are”

November 16, 2006

“Estimuladores del Cordon Posterior en forma paralela” (Neurostimulation of the Dorsal Columns in Parallel Form); Fourth International Congress on Chronic Pain and its Treatment;

Mexico City;

May 2006

Management of Pain in the ICU Setting, Department of Anesthesiology, M.D. Anderson Cancer Center

Houston, Texas

January 1996

Physician Training / Consulting:

Peer-to-Peer training on Radiofrequency Thermo Coagulation Techniques,

Compensar Hospital,

Bogota, Colombia

October 2009

Peer-to-Peer training on Intrathecal Pump Management, including Skills Program,

Webster, Texas

July 2009

Peer-to-Peer training on Neuromodulation, including Cadaver Course,

Webster, Texas

May 2009

Peer-to-Peer training on Neuromodulation, including Cadaver Course,

Webster, Texas

October 2007

Peer-to-Peer training, including implantation of Thoracic Spinal Cord Stimulator

Mexico City, Mexico

May 2006

Peer-to-Peer training, including implantation of percutaneous retrograde nerve root stimulator,

Bogota, Colombia

July 2003

Peer-to-Peer instruction on Neuromodulation, including Cadaver Course,

Webster, Texas

March 2001

Administrative Appointments:

Clinical Assistant Professor, Department of Anesthesiology, UTMB

Physician Advisor, Texas Academy of Physician Assistants

Licensure:

Texas license 1994 to present

DEA/DPS Registered 1995 to present
